1. Each player hits their own ball until they pole out. Any part of the pole is considered a pole out. Record both scores for each hole until you complete all holes on the course. **(NEW)** Both scores will be totaled at the end for the team score, the team's **TOTAL** score will be used to determine the winning team.
2. You may only pick-up or touch the ball when placing it on the tee box, dropping from a penalty stroke or after poling out. If you pick-up or touch the ball while playing a one stroke penalty must be assessed.
3. All areas outside the arena fenced area are considered out of bounds. If your ball comes to rest in any of these areas, pick it up, drop 1 club length inside the arena fence from where it crossed the out of bounds, take a 1 stroke penalty and then hit your next shot.
4. One club limit.
5. In case of a tie, both players from each tied team will hit one shot off a cow pie to a designated pole. Closest to the pole wins first, second closest wins second and so on.
